Came on for consideration the following motions, filed in the above action by defendant, CHRISTOPHER ROBERT WEAST: (1) motion to dismiss "case in error"; (2) motion to quash indictment for improper grand jury procedures; (3) motion to compel law enforcement officials to turn over and advise the prosecuting attorney of all information acquired during the course of investigation; (4) verified motion to quash indictment/verified motion to dismiss indictment; and, (5) motion to quash indictment. Having reviewed the foregoing motions, the court finds that each is nonsensical and wholly without merit. Therefore,

The court ORDERS that the above-named motions be, and are hereby, denied.
